

To the year 6's,

St Augustine's is a fun school. I was nervous before coming here by now I'm fine. I was helped by my friends. I enjoy lunch time or P.E the most. I play netball after school and it is fun. You should expect the teachers to be strict. Remember to always wear your blazer, coat on the back of your seat and your bag underneath. Don't expect to be with your friends because it might not happen, but you can make new ones. It is easy to remember where to go. Also, bring your planner every day or you will be last for lunch!

Darcey, Year 7
