

My name is Max from Jay Max Uniform Shop.

I would like to thank you for supporting our business.

We know this is a difficult time for us all, however, once the schools are open and it is safe, we will be opening our doors to our customers.

To make sure we are doing everything possible to reduce the risk of infection for our customers and colleagues we will be introducing new social distancing measures in our stores and purchasing measures.

All customers will be able to download an order form from a website, where they can order their uniform and collect in-store.

We will be following the recommended advice from the Government, such as:

- Where necessary we will limit the number of customers into our store to make sure it does not get overly crowded.
- The store will be regularly cleaned with disinfectant throughout the day

Customers can order online on from the Website our link: [www.jaymaxuniforms.com](http://www.jaymaxuniforms.com)

Once the schools break up for summer holidays, we will consider opening our stores from 7 am-7 pm

Kind regards

Max
