

## Transition and Festivals

Following the sad demise of the School Sports Partnerships across the country, the PE department felt it was vital to continue to build upon the legacy they left behind.

Mrs McDonnell is our School Games Organiser and works with our Sports Leaders to organise a range of festivals. We had already built positive relationships with our feeder primary schools and had developed an exciting programme of festivals. To date, we continue to run our Cross Country Festival for year 3's and 4's, followed by our year 5 bench ball competition, with all our competitions being organised and refereed by our own Sports Leaders.

However, it is our annual Olymkids Festival that is the pinnacle of our year. Our year 10 Sports Leaders, organised by our very own Oymkids Committee, run the day from start to finish with our year 6 guests allocated to countries and taking part in a range of athletic style events. Of course Olly, our St Augustine's Olymkids mascot, is always there to lend a very large hand!

This year we are introducing a new festival in the shape of a Tag Rugby competition and we look forward to that becoming a regular event on the St Augustine's calendar. We offer a warm welcome to all of our competitors.
