Dear Parent/Carer

The Bushcraft Company

An exciting opportunity has arisen for our Year 7 pupils to experience a 3-day residential Bushcraft Adventure in May 2020. This is a residential adventure with a difference and an ideal opportunity for your son/daughter to learn new practical skills, take part in teambuilding activities and learn more about our woodland environment (see more details overleaf).

The cost of the trip which includes 3 days, 2 nights, is £135. This includes accommodation in safari style bell tents and all food and drinks.

If you would like your son/daughter to take part in this unique opportunity please send £35 deposit into school by the 25th October, along with the completed slip below. We would then ask for further instalments of £25 per month December, January, February and March. However, we are hoping to hold some fundraising events to help cover part of the cost so this sum is likely to reduce.

Yours sincerely

Mrs S Smith
