

## Use of Mobile Phones and Electronic Devices

Please note that from the start of the new academic year 4<sup>th</sup> September 2019 the use of mobile phones and electronic devices will **not** be permitted on the school site.

Pupils will be welcome to bring their phones to school, at their own risk, but they must be switched off and placed in their school bags once they enter the gate and whilst on the school site.

Failure to follow this instruction will result in confiscation of the device.

This will be securely stored until the end of school on Friday each week when they may be collected by pupils.

Should a pupil require their phone in advance of Friday a parent (proof of identification may be required) is welcome to come to school to collect it during school office hours.
